*The Prime Minister of India who claims to represent the largest political party in the world is using all its might to crush the youngest Political party - Aam Aadmi Party;*

*The Prime Minister Shri Narendra Modi and the BJP have long tried to contain the fast rise and expansion of Aam Aadmi Party and growing popularity of its National Convenor Shri Arvind Kejriwal;*

*However, having failed to stop the growing popularity of Shri Arvind Kejriwal in remotest parts of the Country, the Prime Minister has unleashed all Central Agencies including CBI, ED to crush Aam Aadmi Party;*

*Clearly, the Prime Minister is scared of only one person whose name is Shri Arvind Kejriwal;*

*People across the country have seen his enormous work in the field of Education, Health, Water, Electricity and infrastructure;*

*BJP's Government in Gujarat could not construct even a single world class school in last 30 years, forcing the Prime Minister to make a video of temporary school made out of tent;*

*The Prime Minister has realised that he cannot compete with Shri Arvind Kejriwal in terms of Governance;*

*People of India believe in the dream of Shri Arvind Kejriwal, they trust that Shri Arvind Kejriwal can make India no 1 and this dream is achievable in their lifetimes;*

*This House observes that people across India are joining Shri Arvind Kejriwal and becoming a part of this silent revolution to Make India No 1;*
