(क) राशन कार्डों के सत्यापन व उनकी संख्या में वृद्धि के संदर्भ में सरकार द्वारा उठाए जाने वाले कदम;	राशन कार्ड का सत्यापन e-PoS प्रणाली द्वारा वितरण से सुनिश्चित किया जाता है जिससे कि वास्तविक लाभार्थी को ही राशन दिया जा सके। विभाग ने पत्र दिनांक 31/12/2020 के माध्यम से Ministry of Consumer Affairs Food and Public Distribution, GOI से अनुरोध किया था कि दिल्ली में लाभार्थियों की सीमा सीमा बढ़ाई जाए। पत्र दिनांक 18.01.2021 द्वारा प्राप्त उत्तर के अनुसार, भारत सरकार ने सीमा बढ़ाने के लिए जीएनसीटीडी के अनुरोध से सहमति नहीं जताई है। (प्रतिलिपि संलग्न-Annexure-I)

Sub :- Request to increase threshold limit of 72.77.995 beneficiaries in r/o NCT of Delhi under NFSA.

Sir,

I am directed to inform herewith that as per latest allocation of Wheat and Rice (NFSA) made by the Department of GNCT of Delhi for the month of February, 2021 (copy of allocation letter dated 23/12/2020 enclosed herewith), the threshold limit of 72.77.995 beneficiaries fixed as per NFS Act, 2013 in respect of NCT of Delhi has been reached. However, presently, approx 2.59 lakhs applications consisting of 7.45 lakhs beneficiaries are pending for verification/approval with the Department and these applications could not be included in future allocation as the threshold limit has already been exhausted. These applicants, who are in need of subsidized ration, are resorting to representations/complaints/grievances at various forum/levels for getting their ration card approved.

In view of the above, it is kindly requested that the threshold limit of 72,77,995 may be increased for Delhi in larger public interest.

Yours faithfully,

Subject: Request to increase threshold limit of 7277995 beneficiaries in r/o NCT of Delhi under NFSA- regarding.

Madam/Sir,

Please refer to your office letter No. F.15(1)/CFS/Dis/2020-21/3779-3785 dated 31.12.2020 regarding enhancement of coverage under the National Food Security Act, 2013.

2. The request of the GNCTD has been examined and it is informed that-

(i) Using the 2011-12 NSSO Households Consumption Expenditure Survey data, then Planning Commission (Now NITI Aayog) has determined State/UT-wise percentage coverage. The coverage so determined for NCT of Delhi is 37.69% of the rural and 43.59% of the urban population which, at Census, 2011 population, comes to 7277995 persons. The GNCT of Delhi is entitled to 573125 MT of foodgrains per annum (47760.417 MTs per month) including 117629 MTs per annum (9802.42 MTs per month) as "tide over".

As the principle for determination of coverage under the Act is uniformly applicable to all the States/UTs, the request for enhancement of coverage may not be agreed to. However, in case of any requirement of foodgrains beyond the entitled quantity under NFSA, the same may be considered for allocation at economic cost or the State Government could procure foodgrains under the Open Market Sale Scheme or could also develop its own scheme, if considered necessary, for structured distribution to beneficiaries, out of its own resources.

(ii) Further, at present, 375727.50 MTs of foodgrains are being allocated to GNCT of Delhi for 7273324 beneficiaries. The GNCTD is yet to identify 4671 beneficiaries to reach the ceiling determined under the Act. It is, therefore requested to submit proposal to this Department for revision in allocation of foodgrains upto the ceiling. The proposal should inter-alia include the following information:

pl. put upon  
priority.
