Urgent Business No. 192

Subject :— Policy for permission of setting up Communication Cellular Mobile Towers on Wheels (COWs) in North Delhi Municipal Corporation areas.

(i) Commissioner's letter No. F. 33/ADC/R.P. Cell/NDMC/476/C&C dated 3-9-2020.

During the various meetings at the level of Telecom Ministry and other authorities, the issue of Cellular Towers on Wheels (COWs) was raised many times. During the course of discussion, it was noted that there is no policy on date governing setting up/establishment of COWs in the three Corporations. Accordingly, South DMC being the Nodal Agency for cell tower matters, framed a policy for setting up/establishment of COWs in area of their jurisdiction.

The policy was framed by South DMC and got approved from the House of South Delhi Municipal Corporation vide Resolution No. 259 dated 4-1-2020. The copy of resolution is annexed as A.

In orders to resolve the problem of general public regarding work connectivity of Mobile Phones, the matter for adopting of policy of South DMC was placed before authorities and Commissioner, NDMC vide order dated 7-7-2020 has allowed to place preamble before North DMC for approval to adopt the policy for permission of setting up Communication Cellular Mobile Towers on Wheels (COWs).

The highlights of the policy are as follows :—

1. The Cellular on Wheels (COWs) shall be set up in public places like parking lots, parks, markets, other vacant spaces and along road sides (wherever possible) etc.
2. The maximum area per COW shall be allotted upto 50 sqm. with maximum width up to 8 meters (including the space required for guy wires/anchor wires etc.).
3. The monthly rental charges for the land allotted for COW shall be @ Rs. 339/- (Rs. three hundred thirty nine only) per sq.ft./per month + applicable taxes (including co-sharing with other Telecom Service Providers). The monthly rental charges for the land allotment shall be enhanced after every three years @ 8% per annum, compounding on yearly basis. Besides, the revision of rates will be within the absolute discretion of the North DMC.
4. The North DMC will provide bare space for placement and operational requirement for the COW for a maximum period of three years and minimum period of three months and the telecom company/service provider will follow all relevant guidelines of Department of Telecom, TRAI, etc. in this regard. If the telecom company/service provider need to operate the allotted land after completion of maximum period of three years then the telecom company/service provider can apply three months prior to expiry of three years period of the allotment and the request/application of the telecom company/service provider will be treated as AFRESH.

UB/NDMC[2]

5. The location of the site will be finalized after conducting the joint survey with the North DMC staff as well as the representative from telecom company/service provider and the decision of the North DMC will prevail.
6. Since the COW is a temporary structure and can be installed at the following places :—
 - (a) Public places
 - (b) Markets,
 - (c) Parks,
 - (d) On road sides,
 - (e) Parking areas &
 - (f) Open spaces within Departments' premises
 - (g) Any other place, as deemed fit by North DMC.
7. The feasibility of sites will be decided by the joint inspection of the Committee.

On the analogy of South DMC the policy for permission of setting up Communication Cellular Mobile Towers on Wheels (COWs) in North Delhi Municipal Corporation areas is framed and annexed asB herewith.

The Finance Department has concurred the proposal.

The proposal is vetted by Law Department with the following observations :—

"The matter has been examined. The draft is proposing to adopt the policy passed by South DMC for granting of permission for COWs. The Finance Deptt. has already examined the matter. The may now process the case accordingly. However, dispute resolution mechanism may also be inserted."

Accordingly, as per opinion of Law Deptt. the Dispute Resolution Clause is added in the policy at S. No. 35.

The matter may be placed before North Delhi Municipal Corporation through Standing Committee as urgent matter of business for adoption of policy for permission of setting up Communication Cellular Mobile Towers on Wheels (COWs) passed by South DMC vide Resolution No. 259 dated 4-1-2020 for granting of permission for setting up Communication Cellular Mobile Towers on Wheels (COWs) in North Delhi Municipal Corporation areas.

UB/NDMC[3]

Copy of Resolution No. 259 of the Ordinary January (2020) Meeting of the
South Delhi Municipal Corporation held on 4-1-2020

Item No. 14 — Policy for permission of setting up Communication Cellular Mobile Towers on Wheels (COWs) in South Delhi Municipal Corporation areas.

(i) Commissioner's letter No. F. 33/RP Cell/SDMC/575/C&C dated 4-12-2019.

In the Standing Committee held on 22nd October, 2019, issue of existing unauthorized communications Cellular Towers on Wheels (COWs) hereinafter referred to as COWs was raised. During the course of discussion, it was noted that there is no policy on date governing setting up/establishment of COWs in the South DMC areas. The members expressed that the SDMC should frame a policy for setting up/establishment of COWs in South DMC areas and to generate revenue.

BACKGROUND AND FACTS

In number of meetings, the representatives of Cellular Mobile Operators pointed out that the number of complaints are being received regularly from the general public regarding poor signals/call drops while making the cellular phone calls. It was also pointed out that in many cases they face lot of resistance from the residents of the colony/area while installing of cellular towers on rooftop of a building resulted into poor signals.

To resolve this problem, suggestions were received from the representatives that Cellular on Wheels (COWs) may be provided in the area where such types of complaints of poor signals are being received. The COW is a temporary arrangement which can be installed at required location (Public places i.e. markets, parks, on road sides, parking areas and open spaces in Departments' premises, etc.).

Accordingly, the proposal was moved and the Addl. Cmr. (Engg.) observed that this proposal needs mention of the terms and conditions as well as revenue earning options in detail.

In this regard, the documents/policies/information have been collected from various departments/States where such type of COWs are being permitted i.e. New Delhi Municipal Council (NDMC), Haryana, Defence, Maharashtra, Uttarakhand, Orissa, etc.

OPINION OF LAW

The matter was studied and the opinion of Law Deptt. was also obtained on this issue. The opinion of Law Department is reproduced as under :—

1. The department has not placed on record a copy of notification dated 15-11-2016 issued by Ministry of Communications (Department of Communications) published in the Gazette of India on 16th Nov., 2016. This notification has been issued in exercise of powers conferred by Sub-section (1) of Clause (e) of Sub-section (2) of Section 7 read with Sections 10, 12 & 15 of the Indian Telegraph Act, 1885. A copy of the aforesaid notification having been downloaded from the official website is placed opposite for perusal and consideration of the Engineering Wing to bring its terms and conditions within the ambit of aforesaid notification.
2. The notification deals with the rules framed by the Central Govt. with respect to underground infrastructure and over-ground infrastructure (Mobile Towers). Therefore, while making any policy and terms and conditions governing the contemplated policy, the department should not frame any condition de hors the rules contained in the aforesaid notification.
3. A perusal of the notification shows that the SDMC being a local authority is covered under the definition of appropriate authority and it can exercise the powers with respect to framing of policies, terms and conditions within the rules framed by the Central Govt. and conditions governing the license U/s 430 of the DMC Act, 1957.

UB/NDMC [4]

4. As per mandate of the aforesaid rules, the SDMC is required to appoint a Nodal Officer for the purpose of the rules contained in the aforesaid notification to deal with the contemplated policy of the Corporation.
5. The SDMC is also required to develop an electronic application process if the same has not been established by the State Govt.
6. Chapter-3 of the aforesaid notification contains a detailed list of supporting documents to be provided by the licensee in support of his application, the department may take into consideration while finalizing its list of documents required for processing applications for granting approval for COW under the contemplated policy.
7. The aforesaid notification empowers the SDMC to fix one-time administrative charges for every application which shall not exceed ten thousand rupees. Therefore, the department is at liberty to fix the administrative charges which should not be over and above ten thousand rupees.
8. In addition to one time administrative expenses, the SDMC may also charge license fee as it may deemed fit with its proper justification and approval of the competent authority. It is significant to mention here that under Settlement Agreement arrived before Delhi High Court through mediation, the SDMC is entitled to recover Rs. 2 lacs for 5 years as license fee.

Therefore, the Engineering Department may take into consideration this aspect while giving its proposal to competent authority for enhancement of the license fee with proper justification.

9. The SDMC may also recover the charges for the ground on which COW will exist.
10. Rule 10 of the aforesaid rules inter alia provides the process of examination of application which shall be a part of any policy that may be contemplated by the department.
11. It may be noted that the Proviso of Rule 10 contains the deeming fiction of law providing that if the SDMC fails to either grant permission or reject the same in writing within the specified time, the permission is deemed to have been granted. Therefore, a strong mechanism has to put in place for examination of all the applications and disposal of the same within the specified time to avoid deeming fiction.
12. The Law Department is of the opinion that the contemplated policy of the department should be in conformity of the aforesaid notification containing the rules of over-ground infrastructure (Mobile Towers).

In addition to above, the department may also ensure that the following terms and conditions are appropriately incorporated/inserted in the contemplated policy :—

- (i) A complete mechanism to deal with the defaulters of payment of license fee of cell towers, charges of ground, along with absolute power to give direction for relocation of Towers in case of public inconvenience if any contingency arises to meet obligatory functions of the Corporation under which the Corporation.
- (ii) Appropriate condition for indemnification of Corporation in case of any accident arising out of instability of structure of any accidental event resulting to any loss of lives or property.

UB/NDMC[5]

6

(iii) A specific condition for granting of permission for placing COW on the land of Corporation shall not create any right title of interest in favour of the applicant with absolute discretion of the Corporation to direct re-location of the same in case of any need as may be deemed appropriate by the Corporation.

(iv) The Corporation should also keep liberty to review the charges periodically as and when the situation arises.

The department may draft its preamble for placing it before the competent authority keeping in view of the notification dated 15-11-2016 as well as the aforesaid legal opinion.

The draft policy containing above opinion of Law was again sent to Law Department for vetting. The Law Department vide its note dated 11-11-2019 observed that "The policy appears legally in order". Further, Law Department in its note dated 20-11-2019 stated that "There are certain corrections carried in the draft. Needs revision."

The proposal containing draft policy was also sent to Finance Department.

While agreeing with the proposal, the Finance Department in its note dated 21-11-2019, stated that the following may be incorporated in the draft policy and placed before the competent authorities :—

S. No.	Observation of Finance	Reply
1.	As per the Government of India, Ministry of Communications, monthly charges for the space provided to mobile service provider on the rooftops of Government building in Delhi for erecting mobile tower*shall be enhanced after every three years @ 8% per annum, compounding on yearly basis. Since the above notified base rates has been adopted for COW as Rs. 292/- per sq.ft./per month, rates to be charged in the year 2019 be calculated accordingly.	<p>Ministry of Urban Development, Govt. of India, Office Memorandum issued vide No. 18016/2/2015-Pl.III dated 8th March, 2016, which deals with fixation of licence fee in respect of the Mobile Towers to be erected on the rooftops of the Govt. buildings in Delhi, states that :</p> <p>"The issue regarding the fixation of licence fee recoverable from the mobile service providers for erecting mobile towers on the rooftops of the Govt. buildings in Delhi are under consideration in this Directorate.</p> <p>It has now been decided to levy the licence fee @ Rs. 292/- sq.ft. per month for the space provided to Mobile Service Providers in the rooftops of Government buildings in Delhi for erecting mobile towers. During the period the allotment subsists, revision of licence fee, excluding taxes, will be done every three years, to be computed @ 8% per annum, compounding on yearly basis, as per OM No. 18015/1/92-Pl.III dated 16-3-1999."</p> <p>This O.M. talks about revision of licence fee, excluding taxes, in case the allotment subsists and there is no circular/order on this issue in the year 2019 by the Ministry of Urban Development, Govt. of India.</p>

UB/NDMC[6]

7

2. As per Clause 27 of the draft document, penalty of 25% can be imposed on regularization of COWs installed without permission. Finance is of the view that since no policy was in existence as on date, penalty of 25% of the requisite permission fee can be imposed after a cut off date as decided in the policy or from the date of installation. However, department can calculate and recover the arrears from the present operations, if any at the rate of Rs. 292/- per sq.ft./per month from the date of installation as one-time measure.
3. As per Clause 8 of the draft document, SDMC may also charge license fee with proper justification and approval of competent authority. Department is advised to incorporate the proposed rates accordingly.
4. May be vetted from Law Deptt.
5. If any civic body in Delhi has floated tender/ allotted this work, the same rates may also be explored as a benchmark.

Existing COWs on date of issue of this Policy will have to pay arrears from the date of their existence and if any COW installed without permission after the issue of this Policy then it shall be regularized after payment of penalty @ 25% over and above the monthly rental charges. The rental charges as well as the penalty will be charged on monthly basis.

The rates/charges will be fixed after approval of the competent authority.

The draft policy was also sent to the Law Deptt., certain corrections have been carried out by Law Deptt. and accordingly, as suggested by Law Deptt., draft policy has been revised.

New Delhi Municipal Council had floated tenders for 156 sites, with maximum space as 50 sqm. or 538 sq.ft. area for each site, for a period of three years.

The estimated cost for these 156 sites was Rs. 99.84 crores for 3 years.

The cost per site for 3 years comes to Rs. 64,00,000/- $(99,84,00,000/156 = 64,00,000/-)$

The cost per site per month comes to Rs. 1,77,777.77 $(64,00,000/36 = 1,77,777.77)$.

The cost per sq.ft. per month comes to Rs. 330.44 $(1,77,777.77/50 \text{ sqm. or } 538 \text{ sq.ft.} = 330.44)$

The awarded cost for 52 sites = Rs. 94,69,444/-

The awarded cost per site per month for 50 sqm. = Rs. 1,82,104/-

The awarded cost per site per month per sq.ft. = Rs. 338.48

$(1,82,104/538 = 338.48)$ (say Rs. 339/-)

UB/NDMC/171

8

As enquired from M/s. INDUS TOWERS LTD., who has been allotted Group-B (52 sites) by NDMC, the size for one COW, in general is 5 mtr. x 5 mtr. or 269 sq.ft. So the amount of one COW of this size/area will be around Rs. 91,200/- with rate as Rs. 339/- per sq.ft. per month. However, the requirement of size/area from telecom company/service provider may vary and as draft policy the maximum area permitted for installation of COW is upto 50 sqm.

With reply to the afore-mentioned observations and as suggested by Law Deptt., the draft policy was revised and sent to Finance Deptt. as well as Law Deptt. for vetting.

Finance Department vide its note dated 25-11-2019 observed that "Since the policy of COWs has been drafted newly in the SDMC, the Finance is agree to the proposal of the department as it has been revenue earning potential for SDMC. However, the Finance suggestion are as under :—

1. Opinion of LAW Deptt. should be adhered to.

"Law Department vide its note dated 26-11-2019 observed that "Redrafted policy perused. This is legally in order. The facts are to be verified by the Deptt."

POLICY :

Government of India, Ministry of Communication (Deptt. of Telecommunication) has notified rules to regulate underground infrastructure (Optical Fiber) and over-ground infrastructure (Mobile Towers) Rules vide Notification dated 15th November, 2016, which was published in Gazette of India on 16th November, 2016.

A perusal of the notification by the Law Deptt. shows that the SDMC being a local authority is covered under the definition of appropriate authority and it can exercise the powers with respect to framing of policies, terms and conditions within the rules framed by the Central Govt. and conditions governing the license U/s 430 of the DMC Act, 1957.

As per the documents/information collected from the other departments/agencies and the legal opinion from the Law Deptt., South DMC, the powers conferred to South DMC being local body and discussions with higher officers and representative of Telecom Operators, the draft policy is prepared with following conditions :—

I.

1. The Cellular on Wheels (COWs) shall be set up in public places like parking lots, parks, markets, other vacant spaces and along road sides (wherever possible) etc.
2. The maximum area per COW shall be allotted upto 50 sq.mtrs. with maximum width upto 8 meters (including the space required for guy wires /anchor wires etc.).
3. The monthly rental charges for the land allotted for COW shall be @ Rs. 339/- (Rs. three hundred thirty nine only) per sq.ft. per month + applicable taxes (including co-sharing with other Telecom Service Providers). The monthly rental charges for the land allotment shall be enhanced after every three years @ 8% per annum, compounding on yearly basis. Besides, the revision of rates will be within the absolute discretion of the SDMC.

4. The SDMC will provide bare space for placement and operational requirement for the COW for a maximum period of three years and minimum period of three months and the telecom company/service provider will follow all relevant guidelines of Department of Telecom, TRAI, etc. in this regard. If the telecom company/service provider need to operate the allotted land after completion of maximum period of three years then the telecom company/service provider can apply three months prior to expiry of three years period of the allotment and the request/application of the telecom company/service provider will be treated as AFRESH.
 5. The location of the site will be finalized after conducting the joint survey with the SDMC staff as well as the representative from telecom company/service provider and the decision of the SDMC will prevail.

Since the COW is a temporary structure and can be installed at the following places :—

- (a) Public places
- (b) Markets
- (c) Parks
- (d) On Road sides
- (e) Parking areas &
- (f) Open spaces within Departments' premises
- (g) Any other place, as deemed fit by SDMC.

For joint survey and finalization of the location of the site, teams can be formed at Zonal Level comprising of officials from Building Department, Maintenance Department, R.P. Cell (for 'a', 'b', 'd', 'e' & 'g' above), Land & Estate Deptt. (for 'f' above), Horticulture Department (for 'c' above) and representative from the respective telecom company/service provider.

6. SDMC in its own capacity reserves the right to outrightly reject any application without assigning any reason.
7. The maximum height of any structural element installed with COW will be upto 30 mtr. above the ground level at any location.
8. The COW shall be installed for the enhancement of mobile signal and the SDMC will reserve the right to ensure that there is no violation of the same.
9. The telecom company/service provider shall take the site on "As is where is basis".
10. All the sites will be tentative and are subject to change of site by SDMC for which the telecom company/service provider will not seek any adjustment in the monthly rental charges or any claim, compensation, damages or any other consideration whatsoever. It will be the absolute discretion of the Corporation to direct re-location of the already allotted site in case of any need as may be deemed appropriate by the Corporation.
11. The infrastructure facilities such as electric connection shall be arranged by the telecom company/service provider and the cost of electric connection including cabling, panel, electric meter, electric charges and other ancillary charges, shall be borne by the company/service provider. The telecom company/service provider will ensure that all the electric wiring, gazettes are used and maintained properly and are in good conditions.

UB/NDMC[9]

- 10
12. The space upto the maximum of 50 sq.mtrs. will be considered including all these facilities and no excess space will be covered by the telecom company/service provider on any pretext. (It will be the absolute discretion of SDMC to determine and allow the space upto 50 sq.mtrs.)
 13. The telecom company/service provider at its own cost shall take the necessary statutory permissions/certificates if required for the same from any other agency or deptt. as per law and will submit the following documents :—
 - (a) The telecom company/service provider will indemnify the SDMC to keep harmless from all losses/damage/fire.
 - (b) No Objection Certificate from Archaeological Survey of India (ASI) (wherever applicable).
 - (c) No Objection Certificate from Airports Authority of India (AAI) (only in case if the location is marked in 'Red' Zone in Colour Coded Zoning Map (CCZM) specified by AAI).
 - (d) As per guidelines of Department of Telecommunications (DOT), a copy of application for Standing Advisory Committee on Frequency Allocation (SACFA) clearance acknowledged by WPC Wing of Department of Telecommunication, Govt. of India with registration number for the individual location will be submitted along with the application for new towers in the Corporation and the SACFA clearance, when obtained will be submitted within 6 months of granting permission. The self-declaration in this regard will be submitted by the applicant. In case of existing mobile towers the SACFA clearance, wherever available, will be submitted along with the application in the Corporation.
 14. The telecom company/service provider shall install/operate the COW within the designated site and shall maintain the same in neat and sanitary conditions and comply with all applicable laws of the country.
 15. The telecom company/service provider shall ensure high standard of hygienic and cleanliness so as to create a clean and healthy environment to enhance the image of SDMC. In case the telecom company/service provider fails to maintain the same, the fine as per applicable laws will be imposed on it. In this regard, the directions/guidelines of the Hon'ble Court or the departments/agencies shall be followed.
 16. Any physical (or otherwise) damage or injury to the commuters/passersby due to lapse on the part of the telecom company/service provider will be the sole responsibility of the telecom company/service provider only and the SDMC will have no legal obligations or liabilities towards the injured. The telecom company/service provider will indemnify and can be indemnified the SDMC for any losses on this account.
 17. The telecom company/service provider will ensure that fire detection, lightening and special measures are installed at the applicable site and are kept in good condition.
 18. The telecom company/service provider agrees voluntarily and unequivocally to provide un-fettered access to the authorized representative of the SDMC for inspection at any time and agrees voluntarily and unequivocally to abide by and comply with all instructions as may be indicated by the SDMC. Non-compliance will be treated as breach and permission, so granted, will be revoked.

Policy for permission of setting up Communication Cellular Mobile Towers on Wheels (COWs) in North Delhi Municipal Corporation areas

BACKGROUND AND FACTS

In number of meetings, the representatives of Cellular Mobile Operators pointed out that the number of complaints are being received regularly from the general public regarding poor signals/call drops while making the cellular phone calls. It was also pointed out that in many cases they face lot of resistance from the residents of the colony/area while installing of cellular towers on rooftop of a building resulted into poor signals.

To resolve this problem, suggestions were received from the representatives that Cellular on Wheels (COWs) may be provided in the area where such types of complaints of poor signals are being received. The COW is a temporary arrangement which can be installed at required location (Public places i.e. markets, parks, on road sides, parking areas and open spaces in Departments' premises, etc.).

Accordingly, the proposal was moved for adoption of the policy of South Delhi Municipal Corporation for Cellular Mobile Towers on Wheels (COWs) which is approved by the House of South Delhi Municipal Corporation vide Resolution No. 259 dated 4-1-2020. Commissioner, North DMC vide orders dated 7-7-2020 allow to process the case for approval of House of North DMC for adoption of the same.

Government of India, Ministry of Communication (Deptt. of Telecommunication) has notified rules to regulate underground infrastructure (Optical Fiber) and over-ground infrastructure (Mobile Towers) Rules vide Notification dated 15th November, 2016, which was published in Gazette of India on 16th November, 2016.

COW is a temporary structure and can be installed at Public places, Markets, Parks, on Road sides, Parking areas & Open spaces within Departments' premises & any other place, as deemed fit by North DMC.

I. Any telecom company/service provider having valid license from the Deptt. of Telecommunication Ministry of Communication, Govt. of India can apply for grant of permission for installation of COW within the jurisdiction of North DMC, on following terms & conditions:

1. The Cellular on Wheels (COWs) shall be set up in public places like parking lots, parks, markets, other vacant spaces and along road sides (wherever possible) etc.
2. The maximum area per COW shall be allotted upto 50 sq.mtrs. with maximum width upto 8 meters (including the space required for guy wires/anchor wires etc.).
3. The monthly rental charges for the land allotted for COW shall be @ Rs. 339/- (Rs. three hundred thirty nine only) per sq.ft./per month + applicable taxes (including co-sharing with other Telecom Service Providers). The monthly rental charges for the land allotment shall be enhanced after every three years @ 8% per annum, compounding on yearly basis. Besides, the revision of rates will be within the absolute discretion of the North DMC.

UN/NDMC/15]

4. The North DMC will provide bare space for placement and operational requirement for the COW for a maximum period of three years and minimum period of three months and the telecom company/service provider will follow all relevant guidelines of Department of Telecom, TRAI, etc. in this regard. If the telecom company/service provider need to operate the allotted land after completion of maximum period of three years then the telecom company/service provider can apply three months prior to expiry of three years period of the allotment and the request application of the telecom company/service provider will be treated as AFRESH.

5. The location of the site will be finalized after conducting the joint survey with the North DMC staff as well as the representative from telecom company/service provider and the decision of the North DMC will prevail.

Since the COW is a temporary structure and can be installed at the following places :—

1.	Agreement be replaced with License Deed.	Agreement has been replaced with Permission Letter.
2.	At page 1 para 4 from top, expression (/Infrastructure Provider (IP-I) be inserted.	Telecom Company/Service Provider has already been mentioned in the Policy which includes infrastructure provider. Also word "Registration Certificate" already exists in the Policy.
3.	Expression (/MBTS) be inserted after COW.	COW and MBTS is same.

UB/NDMC [22]

- | | |
|---|---|
| 4. In policy expression "monthly rent" be replaced with expression "Monthly License Fee". | Monthly Rental Charges is one of the form for payment. |
| 5. In para 3, the monthly fee mentioned is too high and not feasible. We suggest that monthly fee should be mentioned as Rs. 292/- sq.ft. to bring the fee at par with MoUD rates. | No Change in para 3. |
| 6. In Para 2, the maximum area should be enhanced to 64 sqm. (8 x 8). Same should be subject to space availability. | No change in para 2. |
| 7. In para 25, after the word DPCC, Expression (If applicable) be added. | Already exists. |
| 8. After para 4, para 4a should be inserted mentioning that if the service provider/IP want to terminate the agreement and remove COW at any time after 3 months, service provider/IP shall have to give a mandatory notice of 1 month or rent in lieu thereof to the NDMC. | Since the Policy already provides for installation of COW for a minimum period of 3 months and maximum period of 3 years, so after the initial minimum period of 3 months, the telecom company/service provider can surrender the permission by giving three months advance notice in writing along with payment of the Monthly Rental Charges for the notice period. On expiry of the said notice period, the permission shall stand terminated/revoked and security deposit will be refunded accordingly. |
| 9. Mandatory non-commercial signage may be allowed. | The telecom company/telecom service provider/ infrastructure provider-I (IP-1) can install mandatory non-commercial signage only, as per provisions of Department of Telecommunication Notification dated 15-11-2016, which was published in Gazette of India on 16-11-2016, since this Policy is based on the said Notification. |
